DEATH OF CAPT. DAVIDSON

Capt. D. Davidson died this week after a very short illness. He was taken ill on Friday. On Sunday evening he seemed so much brighter that Mr. Joe Davidson, his son, who had been summoned to his bedside, left on the 6 o'clock train for Waresboro. At 8 o'clock he grew worse, and died shortly after. He was escorted to his last resting place by Bnai Brith Lodge, the Brunswick Riflemen, the brass band and a number of friends. Captain Davidson was the commanding officer of the Ware County Guards during the late war, and did valiant service, being ever ready to respond when duty called. The Guards and Riflemen were attached to the same command. The 26th Georgia and the survivors of the old company speak in highest terms of Capt. Davidson as a soldier.
