LITTLE HENRY HIRSCH DEAD-Son of Mr. and [Mrs.] Henry Hirsch Passes Away in Chicago.

News was received last night of the death of Henry, the three year old son of Mr. and Mrs. Henry Hirsch, of this city. The little one had been ill for quite a while and every effort on the part of medical science was done to prolong the life of the boy but at 9 o'clock last night the little fellow passed away.

It is not known as yet what funeral arrangements have been made, as relatives here of the bereaved parents only received news of the death.

[Newspaper from 26 Nov. 1915 was missing, therefore funeral announcement could not be found-ALH]
