

Mary Jackson

It is unknown by me who this child is and where she may have been interred in the cemetery. Her record of death was found in the City Council Minutes and was re-recorded in the newspaper.

The only family eligible in Glynn County to be hers was that of John & Laura Jackson in the 1880 census.

John was 27 of Georgia; Laura 25 of South Carolina; Paul, son, 8 of SC; George, son, 7 of SC; and Bryant, son, 5 of GA.
