SUDDEN DEATH

Mrs. S.H. Russel [sic], of Augusta, Ga., died very suddenly at the residence of Dr. Blain, of this city Thursday evening last. Mrs. Russel, her husband, and little boy had been spending a few days in our city. On Thursday about 4 o'clock she was taken suddenly with pains in her body, and by half-past 6 o'clock was a corpse. Internal hemorrhage is supposed to be the cause. She had not been very well for sometime past. She will be buried this morning. Mrs. Russel is a near relative of the Blain's of this city.
