### TOOK HIS OWN LIFE

Our community was shocked on Sunday last with the startling intelligence that Mr. Christopher Wright, an old citizen of this county, had shot himself. Investigation proved the report too true.- It seems Mr. Wright has been suffering for some time with great depression of mind, in so much that he has made other attempts to end his existence, but had failed. On Sabbath morning last, however, he succeeded by placing a loaded pistol to his hearth and firing. He must have died immediately, as he was found in much the same position as he evidently was when the fatal shot was fired.
