

A Meriam

The Savannah Republican; Thursday 17 May 1849; pg. 2 col. 6

We regret to learn the death at Brunswick on Sunday last of A.H. MERIAM, Esq., late of the firm of PHILBRICK, MERIAM & BELL of this city, of consumption. His remains were followed to the grave on Monday by several citizens of Brunswick who have known him long and favourably, and whose attentions in his last illness were assiduous and untiring. Mr. MERIAM was a native of Massachusetts, and came to Georgia in the autumn of 1836. He has died in the State of his adoption leaving behind him the record of a life of unsullied integrity devoted to the pursuits of honest industry.
