

## **Francis Miller**

The Brunswick Advocate; 16 November 1837

OBITUARY -- It is with pain we announce the death of a most useful and highly valued citizen in this vicinity. Dr. Francis E.K. Miller, departed this life at his residence in Sterling, on the morning of the 10th inst. after an illness of three weeks, in the 24th year of his age. Dr. M. was beloved by all who had the pleasure of his acquaintance, and bid fair had he lived, to become eminent in his profession. He was an affectionate husband, a kind and indulgent parent, and has left a wife and two children, together with numerous connexions (sic) and acquaintances, to mourn his early exit.
